REMARKS

This application is submitted as a National Phase Application of PCT Application No. PCT/IL02/00277.

The claims in the present application were amended by removing multiple dependencies, to reduce costs and put them in better form for examination in the US. Also introduced is a cosmetic change to claim 1.

Applicants wish to bring to the attention of the Examiner that the present amendments are based on the claims as attached to the IPER.

Applicants note that all the claims in the original claim set are indicated in the IPER established for the PCT application as meeting the criteria of PCT Articles 33(2) - 33(4).

In view of the favorable IPER, applicants submit that the application is in order for allowance.

Respectfully submitted,
Haim LIVNE
